Next Meetings: March 19, April 16, and May 21

**Accident Reviews:** Four new claims since last meeting, 2 claims involved student holds, 1 claim PE class accident, and 1 claim lifting incorrectly.

**Building Concerns:** Sunrise: play shed leak fixed? Charlene wasn't sure if it was done or not, kids have slipped on the wet pavement. Periwinkle: Fire Marshall found over 40 items that needed fixed. NAMS: Lock down done, thanks to staff it was completed within 5 minutes. Need to review lock down codes with your building staff, make sure in an actual lock down to contact the District Office and other Departments that might have employees coming to your building. Waverly: Ceiling tiles that need replaced, have already done two work orders.

**Building Inspections:** Now that the building inspections are done, they are several items that need repaired; please make sure that you take care of these items as soon as possible.

**Respirators:** There was much discussion regarding a respirator program, Helen requested that Paulette send her information regarding different programs. Paulette cautioned the group regarding the different programs, and you need to be very careful and follow all rules regarding the respirators. More information about them next meeting.

**Training:** Fall Prevention: Paulette had a informational sheet regarding how to avoid slips, trips, and falls, that handout is attached for you to review with your building at your next staff meeting.

**Present Meeting:** Adjourned: 5:10pm
